10. Examples:

Total of your purchase: **£152.54 = 1500 POINTS** (15 stamps)

Total of your purchase: **£49.91 = 400 POINTS** (4 stamps)

From 31.03.1018 - 1000 POINTS (10 stamps)= **£5 VOUCHER**

For example: if you have already collected **700** points (7 stamps) on your account, and today you have spent **£49.91** another **400** points (4 stamps) will be added to your account. $700 + 400 = 1100$ ($7 + 4 = 11$ stamps), so your **£5 VOUCHER** (10 stamps) will be printed with current transaction, and **100** POINTS (1 stamp) will be left for you.
